

Congratulations 4.0 GRADUATES

The Bank of Clovis hosted their 37th Annual "Senior Honors Banquet" which honors students that have had a 4.0 or higher accumulative GPA since Ninth Grade. The Bank of Clovis honored 42 students, their parents, and a teacher that has helped them throughout their school years! These students are from the surrounding Curry County High Schools.

We are very proud of these students and their accomplishment of maintaining such a high standard throughout their high school career and are honored to celebrate this achievement each year.

Sincerely,
Randy Harris
Chairman & CEO

CLOVIS HIGH SCHOOL
